FIRST OF THE SPEEDLINERS

Wig-wag signals swing back and forth, halting Main Street traffic as the *Twin Cities Hiawatha* roars by in a blaze of orange and maroon. From Seattle to Chicago, the name "Hiawatha" symbolized the fastest and best of Milwaukee Road's streamliner fleet. Those great trains are rolling once more, recreated in beautiful HO Scale replicas. Based on equipment in service from 1955 and complete with all the features found on Walther's passenger cars, you can model a complete *Hiawatha* consist with these cars!
